

R & D Agentic AI Solutions

Accelerating The Frontier Firm Journey

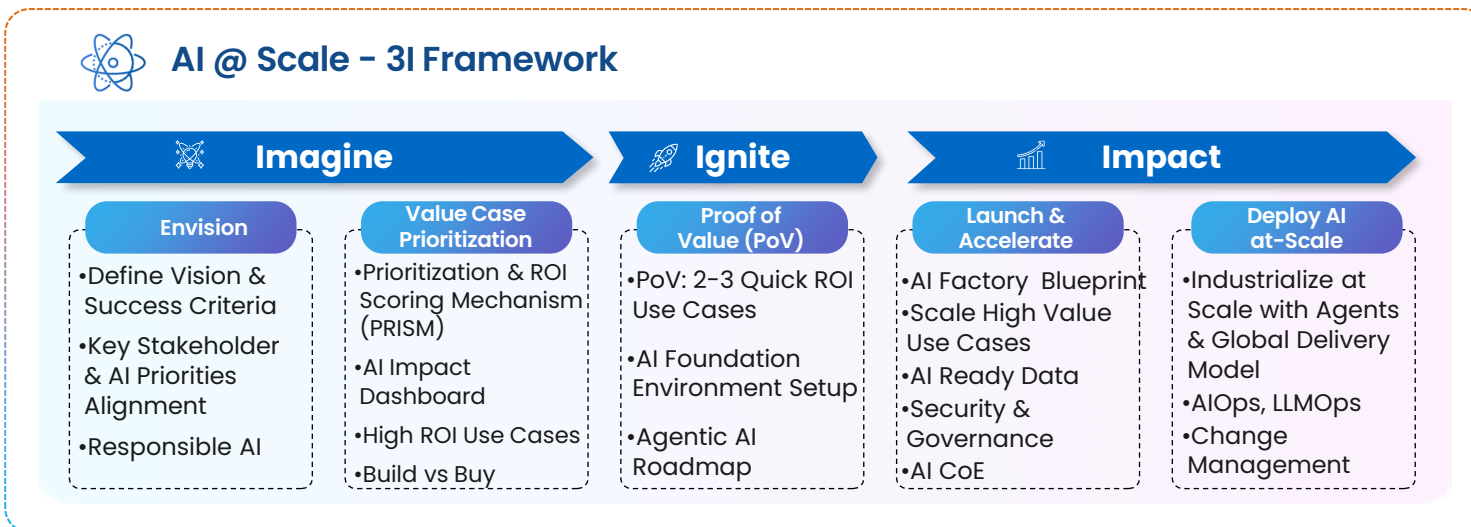

The Agentic AI era is here, and R&D is enabling big transformations. By moving beyond fragmented pilots, enterprises can rewire how they discover, design, and deliver innovations. **WinWire's Agentic AI @ Scale Playbook** helps CTOs, Chief Innovation Officers, and R&D leaders unlock measurable value with speed, scale, and confidence—positioning R&D as a true growth engine.

Customer Story

Drug Discovery Acceleration Agentic AI System

A leading drug discovery and development company faced challenges with lengthy 8-10 years discovery cycles and, high costs.

WinWire deployed a Drug Discovery Acceleration Agentic AI System powered by high-performance computing and autonomous data orchestration. The solution accelerated discovery process significantly, reducing time-to-market to under a year, enabling quicker and more precise outcomes, and lowering R&D costs remarkably.
